

Review of Web series	Aryan Langhanoja - 92200133030
The Billion Dollar Code	Episode - 3
1. The Fight	<p>After the meeting with Brain Anderson, Brain told them that Google is interested in buying their patent and ready to pay \$5 Million. so they sent all the documents to Google and Google claimed some issues so they worked on it to make things clear and reapplied for the patent and it was granted. But Google refused to buy their patent. They are claiming that Google stole their algorithm and now they want to hire a lawyer and fight against the lawyer. When they are practicing , the lawyer asks some questions that seem to attack the Jury and he left he America and goes back to Germany. Then Carson followed him and reached at jury's home and had some fun.</p>
Summary	<p>It is not easy to fight against the mischief occurred with you. You may Lost everything.</p>
